EXTENSION OF THE SECOND COUNTRY PROGRAMME FOR THE BRITISH VIRGIN ISLANDS

Note by the Administrator

1. The second country programme for the British Virgin Islands was approved by the Governing Council at its special session in February 1987 for the period 1987 to 1991. In accordance with Governing Council decision 91/29 on net contributor country status, negotiations are currently taking place with the Government on arrangements for the third country programme. The Government has therefore requested a one-year extension of the second country programme to allow more time to bring the negotiations to a successful conclusion.

2. The objectives of the second country programme remain valid for the duration of the extension. They are (a) physical planning and environmental management and (b) tourism development.

3. It is expected that the third country programme will be submitted to the Governing Council at its special session in February 1993.

4. The Administrator wishes to inform the Governing Council that he has approved the extension of the second country programme for the British Virgin Islands for a period of one year beginning 1 January 1992.
